CONVERSATIONS · FALL 2026

Conversation on the Political Underlying the Statistical

Lee Kennedy-Shaffer, PhD

Assistant Professor of Biostatistics

Gregg Gonsalves, PhD

Professor of Epidemiology (Microbial Diseases)

Bhramar Mukherjee, PhD

Senior Associate Dean of Public Health Data Science and Data Equity

Yale School of Public Health

About the Event

Join Gregg Gonsalves, Lee Kennedy-Shaffer, and Bhramar Mukherjee for a conversation about the political choices underlying statistical research and their implications for public health. Explore how priorities shape the questions researchers ask, whose experiences are captured in data, and how evidence is interpreted and used in policy, with attention to the relationship between statistical rigor, social responsibility, and health equity.

DATE & TIME

Wednesday, December 2

2026 · 4:00–5:00 p.m. Eastern

LOCATION

350 George Street, Room 305D
