Public Health Data Science and Data Equity

YALE SCHOOL OF PUBLIC HEALTH

COMMUNITY EVENT · FALL 2026

Build A Bot Workshop (In-Person)

CS

Connie Steel

AI at Yale Program Manager

Presented by Women in AI Collective

About the Event

Create a functional AI chatbot for a research, teaching, or administrative task. Define a use case, write instructions, and test and refine responses to develop a working prototype and a process you can reuse.

No coding experience is required. Bring a laptop with Microsoft Copilot or Clarity installed beforehand.

DATE & TIME

Friday, November 20, 2026 · noon–1 p.m. (Yale local time)

LOCATION

Poorvu Center for Teaching and Learning, Classrooms A & B

In person · Lunch provided · Attendance capped at 50 people.

Open to the entire Yale community.

Join the conversation.

Registration required.
